

HAPPY
Thanksgiving

Happy Thanksgiving to our participants, community partners, donors, volunteers, friends and staff. We are grateful for all of you!

Via's offices are closed on Thanksgiving Day and will reopen on Friday.

Special Visit from the PA Senate

Senator Pat Browne recently visited Via's small group employment site at Cigars International. Senator Browne is Chair of the Senate Appropriations Committee, Vice Chair of the Finance Committee, and a member of Education, Health & Human Services and Local Government Committees and serves most of Lehigh County.

After meeting with Via and Cigars International staff to learn about Via's employment services, Senator Browne toured the Cigars International worksite and met with Via's participants who work in the company's sampling department.

If you are a business in need of dedicated and hardworking employees or a person with a disability looking for employment, contact Via's employment services department.

Free Basketball Clinics for Athletes with Special Needs

Do you know an athlete eight years or older with special needs who would enjoy learning the fundamentals of basketball in a fun, inclusive setting?

Join Traci Cyr, Lehigh Valley Basketball Hall of Fame member, college coaches and their players at our upcoming basketball clinics:

January 19, 2020 @ DeSales University
March 15, 2020 @ Freedom High School

Visit: <https://www.vianet.org/via-events/via-all-star-basketball-classic/>

Help Spread Holiday Cheer

This is an exciting time of year at Via. We get in the holiday spirit—creating decorations, making holiday items to sell, and looking forward to Via's December 6th Holiday Party.

At Via's annual Holiday Party, the Via Family - people we serve, their families and friends - enjoys a festive evening of dinner, dancing, raffles and a gift exchange.

You can be a part of this special evening by supporting someone's attendance for only \$25!

To make a donation, visit:
<https://www.vianet.org/via-holiday-party/>

Thank you for your kind support!
